Training (LWST)**

# About Us

Quality Assured under DNV's MTP Standard!

Adopting a holistic approach to the process of skill development, professional faculty team is involved in designing, developing, and delivering courses for maximum effectiveness. Also included in the overall system are the administrative aspects which support quality education and training. All courses fall under the preview of Maritime Training Provider (MTP) standards of DNV.

## ZERO COST

NUSI Offshore Training Institute developed as a state-of-art centre for Oil and Gas Offshore Training, expanded its scope with addition of impressive practical skill development facilities. Located in the outskirts of Mumbai, NOTI also provides residential facilities to candidates for the duration of the course.

### Lathe & Welding Skill Training (LWST) (06 Days) Syllabus content.....
